Miss Ruth Haldridge

The 1949

CHESBRONIAN

PUBLISHED BY
The Student Body
OF
Roberts Junior College
North Chili, New York

Summer suns and winter snows
Carresses here have laid,
And sacred troths of greatest worth
Here too, have been made.
Beneath this arch have students passed
Eyes on horizons far
With eager hearts and courage high
They follow their guiding Star.
—Rose D. Hartman

Foreword

In a day when worldly aggressors might dim the hopes of Education with the Christian emphasis, may this book prove to you that Roberts is courageously in the fight.

Herein are the fruitful and enjoyable days of 1949 relived for you, but let its mission not stop there! May you see in it the beginning of dreams realized. May "the ideal of a four year college" live within you!

And so to you — the 1949 CHESBRONIAN.

Dedication

To the invincible spirit which sprang from the breasts of
Roberts founders; eager to press forward to
greater scholastic standards:

To the Christlike spirit of faith and hope, longing to prepare
youth more fully for the work of the Master:

TO THE IDEAL OF A FOUR YEAR COLLEGE
we dedicate this, the forty-fourth issue
of the CHESBRONIAN.

CARPENTER HALL

Adelle P. Carpenter, beloved preceptress and teacher, gave forty years of her life to this school. Her consistent Christian life was a continual blessing to the many students with whom she mingled.

CLASSES

College Sophomore Class

The last sophomore graduating class of Roberts Junior College is now looking into the future, hoping to be the first senior class of Roberts Wesleyan College. Looking into the past, this illustrious group entered Roberts as the largest single class ever to be enrolled.

The aggressiveness and spirit which have always marked this class was vividly portrayed by its ability in capturing and destroying the flag of its opponents for two successive years, a feat accomplished but once in the history of the school.

This ability of accomplishment was displayed again when the class of '49 sponsored the annual Freshman-Sophomore banquet, which will long be cherished among the fondest memories of all who attended. After assuming the responsibility of being the upper class of the school, this group enjoyed planning and participating in the crowning events of life at Roberts -- the class night program and the skip hike.

Now this class is at the crossroads, some members will go to other schools, some will go to make their place in the world, and still others will remain here at Roberts. Wherever the members of this class go, they will take with them the glow of Christian fellowship and cooperation which has been manifested in all the activities of this organization.

The success of this class, spiritually and materially, has been furthered by the gracious supervision of Dean and Mrs. Markey who have worked unceasingly.

College Freshman Class

Many fond memories flood the minds of the freshman class as they think of their first year at Roberts. They recall the times spent in worship, study, and play. Stirring revival services, prayer meetings, and the Sunday school contest. Biology, English Compositions, Spanish, Psychology and term papers. The initiations — when they dressed in the fashions of early Free Methodists attending their first church convention; the class party at Churchville where the class enjoyed an evening of pleasant entertainment and plenty of food; the freshman chapel program, including the telling of the Christmas story, and the depicting of the manger scene. Later, the preparations for the banquet gave the class the thrill and feeling of satisfaction that rewarded us for our efforts.

In all of the business and class functions, their faculty advisor, Professor David Barton, has given willing and patient cooperation. He has joined in the enthusiasms, and has proved himself both resourceful and capable.

The college freshman class is determined to return next year. The opportunities to learn are held out to them by a generous hand and it is the duty of the class to take them and use them for the betterment of the world.

High School Senior Class

A completed high school course! What pleasure the seniors feel as they look back on their four years at Roberts — four years of real living. The privileges of Christian Education received here have made these future leaders better men and women.

Mr. and Mrs. Pfouts, class advisors, have had a big part in making this final high school year a success.

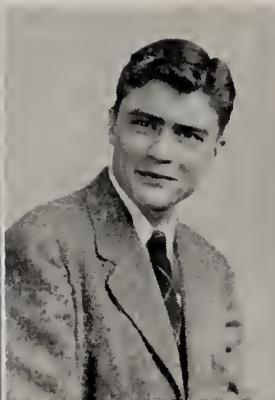

All the hard work and energy put into these years are far surpassed by the joy of a job well done.

High School Juniors

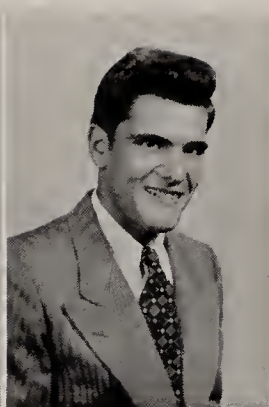

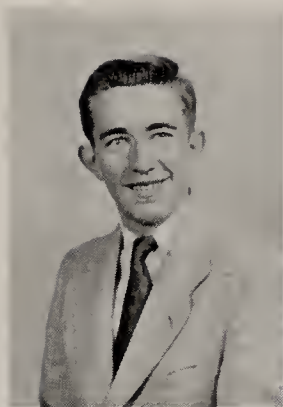

Starting out on the last lap of its high school years, the class of '50 looks forward to a mighty Senior year. But what of this year? How could the memorable night of the hayride ever be forgotten? The Juniors even turned slightly old fashioned!!

Prof. "Advisor" Bean's new home make things perfect for a so called "house warming."

Plans for the future now occupy these young minds. They are the ones to "carry on" — and *they will*, we know they will.

High School Sophomores

The Sophomore class of 1948 will never forget the good times their class has enjoyed — both in school and at class functions. Take for instance the hay ride, when the Juniors ran off with the haywagon. Who could forget that? Each one is looking forward to a happy and eventful year as a Junior.

Under the direction of their class advisor, Miss Roberts, the high school freshmen have enjoyed several activities.

One of these was a hayride taken early in the year. The Sophomores also were invited on this escapade.

The Freshmen took their turn in conducting a regular assembly program — just as they'll take their turn as leaders on the Roberts campus. Watch out for this class of '52!!

Chesbronian

The dreaming and planning of a successful yearbook . . . selecting staff members . . . choosing a theme . . . trying to decide whether you'd prefer a "padded cover" or this "new type" . . . making picture schedules so that each student had a chance to "look at Roger's birdie" . . . setting deadlines and skidding past them . . . then a dash to Albion to confer with Mr. Eddy, the printer. Such was the way your 1949 CHESBRONIAN took shape.

Hear those sighs of relief? Mary Eleanor and Doris have been in their last huddle over the "dummy"; Lee has collected that "doubtful add"; Mr. Pfauts has listened to the last trouble; "the gang" has even caught up on their sleep at last. Everything is finished!

Now the result is in your hands — the 1949 CHESBRONIAN. May you be proud of it! May it in future years bring back pleasant memories!

The Beacon

Plunging into its second decade of work the Beacon has made great strides since last year. 1949 has seen our paper increase to five columns and become almost twice its previous size. Much credit can be given to the talented editor and to the faithful advisor, Mrs. Cora D. Updyke.

THE BEACON has maintained its high standards and throughout the year given a birds eye view of life and activities at Roberts.

Recently the "College Newspaper" has become a member of the Associated Collegiate Press. This should be a boost to those taking over THE BEACON next year.

Senate

The aims of the Roberts Junior College Senate are to set up and maintain a high standard of school citizenship and to cooperate in the general welfare of the school.

Two students from each of the college classes, two representatives from the high school classes, two faculty members, the President of the Student Association, and the Dean of the college constitute this organization.

All campus activities of this year were sponsored by the different departments of this governing body.

Along with the Administration and the faculty, the Senate assisted in handling misdemeanors on the campus and in making it possible for the students to democratically run their activities.

Veterans and Reserves

Again this year the Veteran's League has been a valuable asset to Roberts.

Under the leadership of John Alden, the veterans have been drawn closer together, thus enabling them to become more outstanding both spiritually and scholastically.

Volleyball and basketball were some of the sports indulged in by the G. I.'s — one way of keeping those physiques Uncle Sam helped them to build, you know.

Much recognition goes to Dean Updyke for his council and guidance, so wisely given for the betterment of the League.

Ministerial Association

The most outstanding and influential organization of the extra-curricular activities is the Ministerial Association. This group is composed of those students who are preparing for definite Christian Service and who wish to learn through practical experience. The Ministerial Association forms the foundation for most of the Student religious activities on and off the campus.

This year the group enjoyed participating in the regular Monday evening services, a weekly Saturday night service at the Lighthouse Mission in Rochester, and the morning chapel service every other Wednesday. The members also had charge of all the daily and weekly student prayer services.

The Ministerial Association has also sponsored off-campus personal evangelism such as house to house visitation, street meetings, and participation in local church services.

This organization has been a great spiritual blessing and inspiration to its members as well as to the other students and the faculty.

Messiah

Under the direction of Mrs. Marion M. O'Brien, a chorus of 125 voices presented Handel's "Messiah" for the fifth season. This chorus consisted of Roberts students and community folks. Two appearances were made — both on Sunday, December 12, 1948. For the afternoon concert, the group travelled to Albion, New York, where they sang in the Presbyterian Church to a congregation of 700. The final rendition was traditionally presented in the Cox Hall Chapel at 8:00 p. m. Two alumni of Roberts, Miss O'Brien and Mr. Lucas sang the alto and tenor solo parts respectively. Miss Olmsted, a student of Eastman School of Music, and Mr. Clattenburg of Houghton College, Houghton, New York, were the soprano and bass soloists. Pianist was Miss Evelyn Gott of the Roberts Music Staff and organist was Mr. Thomas Grierson of Rochester.

Conductor — MARION M. O'BRIEN

Soloists:

Soprano — DORINE OLMSTED

Tenor — HUGH LUCAS

Contralto — LUCILE O'BRIEN

Bass — STANLEY CLATTENBURG

Pianist — EVELYN GOTT

Organist — THOMAS GRIERSON

Literary Club

During the year, this society was originated by a group of students interested in the future study of the arts.

The objects of the organization are to promote a greater appreciation of music, literature, drama and painting among its members and to give them opportunities for public expression.

A constitution was drawn up by a committee elected for that purpose.

Chess Club

One of the more cultural organizations of the campus was organized this year in the form of the Chess Club. This new organization added to the campus has interested many students and a few faculty members. This group met every Tuesday evening over their 32 chessmen to play this fascinating game and to learn more successful techniques.

Mr. Barton formed the club, and has been the faithful advisor and instructor during the year.

A Cappella Choir

Thirty-seven voices resounded the message of the gospel this year, under the capable direction of Mrs. Marion M. O'Brien. The mission of this choral group was to present sacred music with a personal, spiritual interpretation — trusting that it might bring a direct challenge and real inspiration to its audiences.

These A Cappella members were selected on the basis of Christian character and vocal ability, directly from the 250 students attending Roberts Junior College. Seven different denominations were represented in the group, and incidentally, most all of them hailed from the eastern part of the United States.

During spring vacation — April 8-18 — this group made its annual tour, which took them through New England, New Jersey, and Southern New York. From its initial concert at West Kendall, New York, on January 16, until its final one given on the Roberts' campus commencement Sunday, the choir has made about 34 appearances. Though it has meant busy concert-weekends and untold hours of rehearsal, who can take from this group — or its thousands of listeners — the memories and blessings of inspired singing?

Roberts Radio Hour

The Roberts Radio Hour is on the air! Sunday night, October 31 the college inaugurated a program of sacred song on Station WSAY in Rochester, New York. Since that time the familiar strain of the opening theme — "The Spacious Firmament" — has been heard by thousands of listeners every Sunday night at nine o'clock.

Since the program was centered around the favorite hymns of the Christian faith, a small choir of mixed voices was chosen and, assisted by the Roberts Male Quartet, made the first productions. Later several special features were included, such as The Roberts Trumpet Trio, the Ladies' Trio, and violin solos by Lynn Rogers.

Each broadcast was concluded with the Roberts Radio Choir singing the favorite hymn of some prominent person of the Rochester area and occasionally characters of national repute, such as General Eisenhower, Governor Thomas Dewey, Secretary of State Marshall, Perry Hayden and Robert LeTourneau.

Fan mail received by the staff, indicated that the program was well received. Many people who were contacted in places of business in Rochester and in churches in the surrounding area also expressed their appreciation of the program.

In January the radio work of the school was expanded to include transcriptions of a new series of programs entitled, "Songs of Praises." The first stations to carry this new series were WAVL, Apollo, Pennsylvania; WKRZ, Oil City, Pennsylvania; and WTRF - AM, FM, Bellaire, Ohio.

Plans have been drawn for a studio which is to be designed on the second floor of Cox Hall. When this is finished, the programs will have a much better quality because of acoustical efficiency, adequate technical facilities, and modern broadcasting station atmosphere. Several people have been contacted for financial assistance and as soon as funds are available the studios will be completed.

Band

Persistent effort, some skill, and a reasonable amount of musical ability are the requirements of every member of the band. Under the able leadership of Charles Lucie, it has played an important part in this year's sport season. The band has often been the means of spurring the team on to victory.

Male Quartet

The Male Quartet has added a definite spiritual atmosphere to the Roberts campus this year. Its message in song has been heard by the students, in Chapel programs; by members of the local and nearby churches, in their worship services; and by thousands of others, via the Roberts Radio Hour.

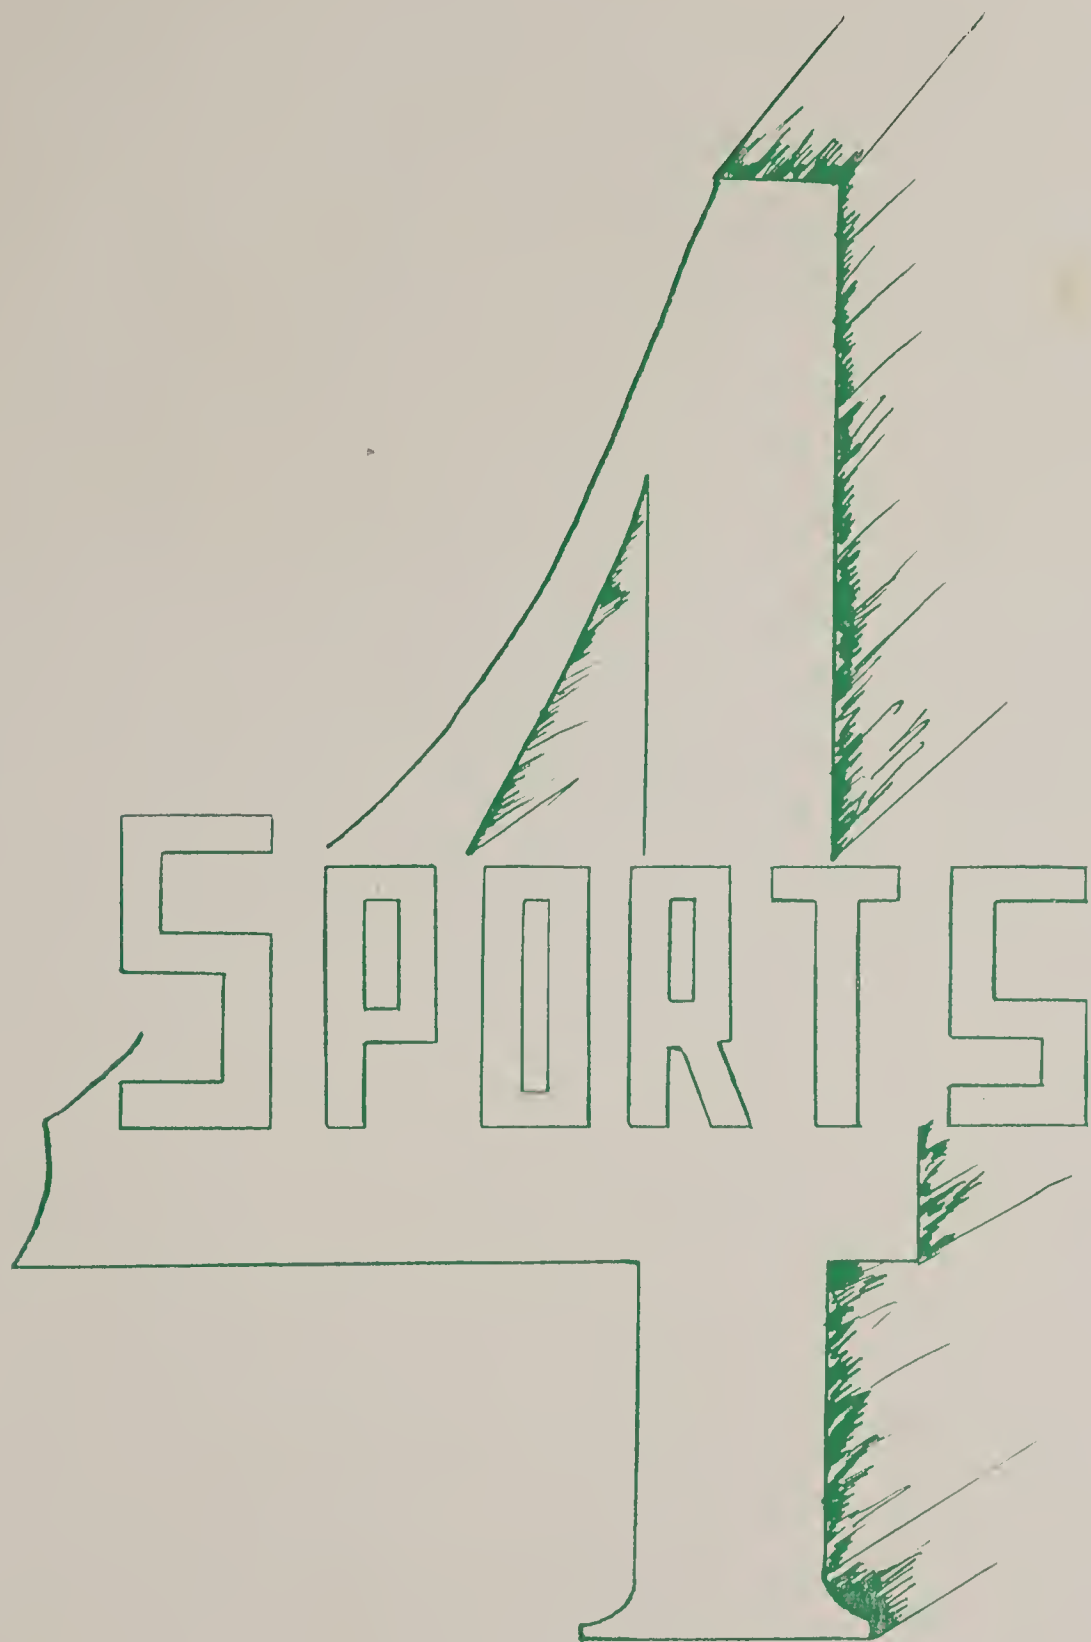

A Cappella Quartet

After many changes due to the conflicting schedules of its members, this quartet finally began its work in song. These four fellows, working hand in hand with the A Cappella Choir, have not only represented R. W. C., but have also glorified the Lord — bringing His gospel in song.

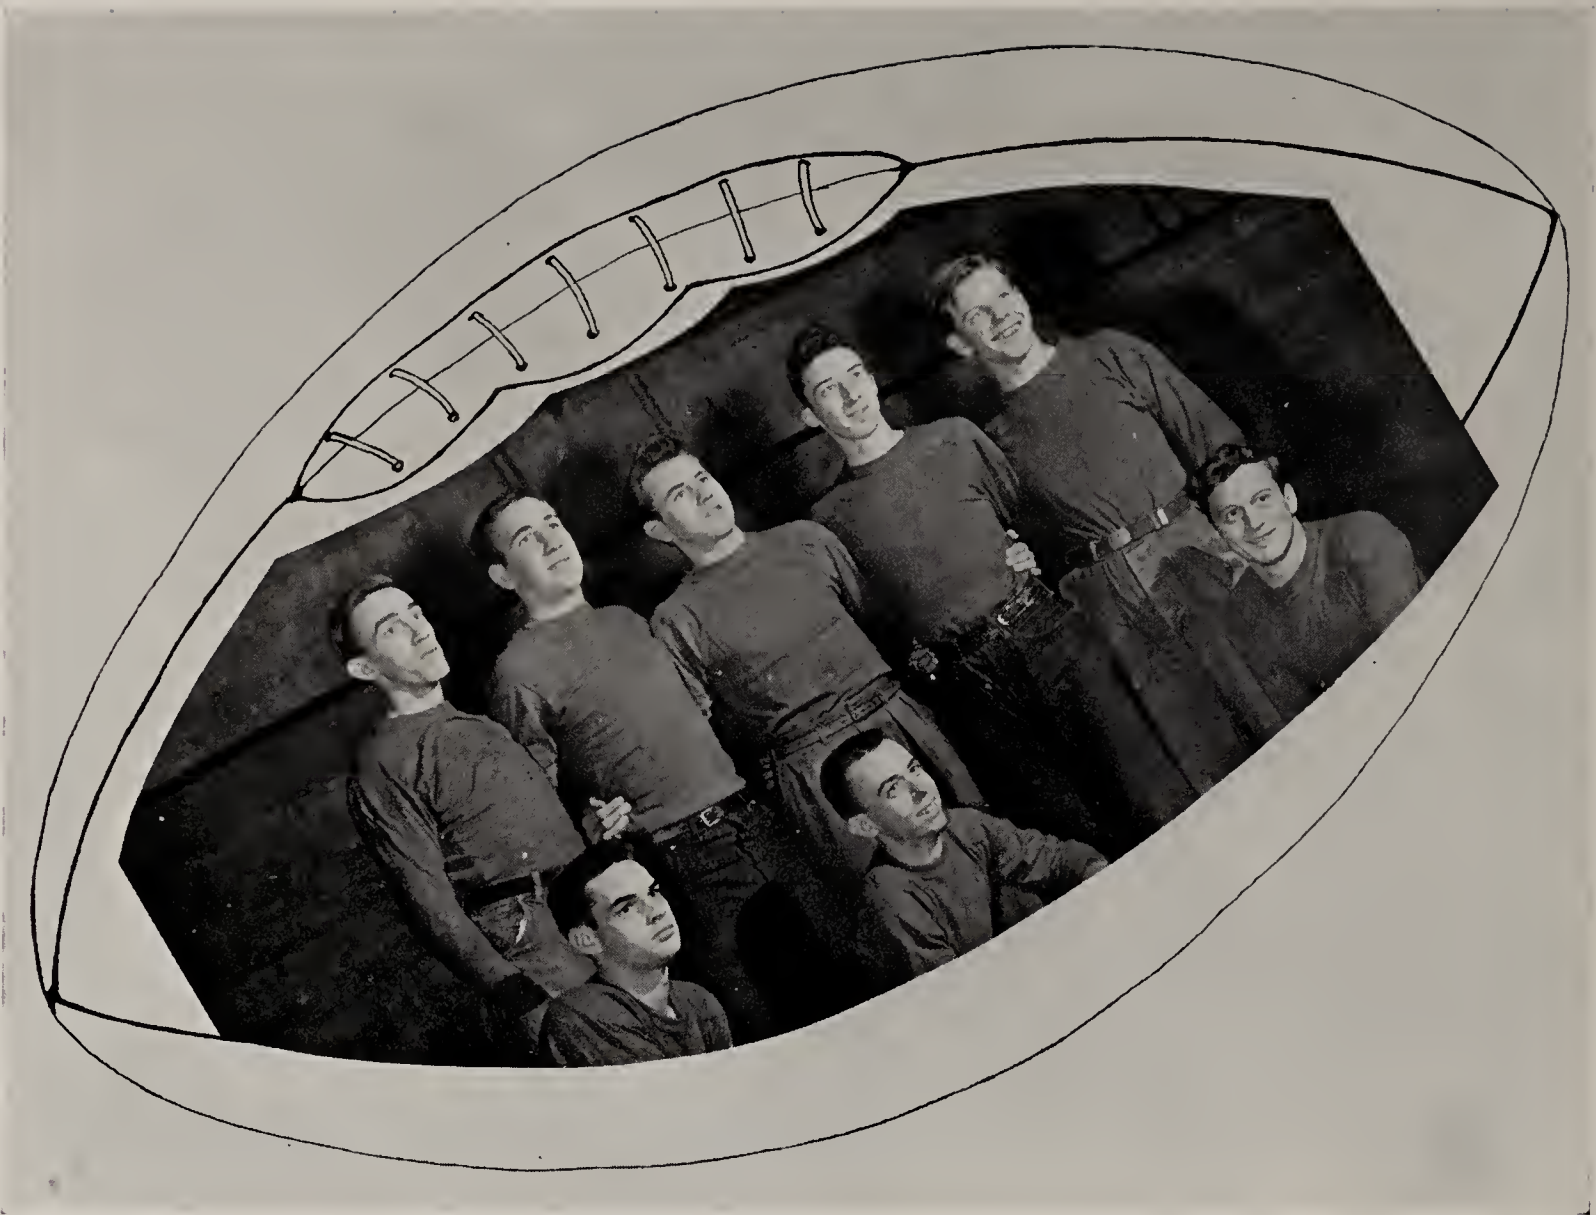

ROBERTS MEMORIAL HALL

Red-Black Series

For the third consecutive year the Red gridgers defeated the helpless Blacks four games to none. The scores of these contests were 13-0, 25-24, 12-0, 38-0.

The Reds, captained by "Dixie" Burke and possessing a wealth of talent and reserve strength, were just too much for the Blacks, who couldn't seem to get enough interest aroused to put six men on the field.

However, in all games but the last one, the spirit of competition was very keen and with a little more strength the Blacks might easily have tipped the scales from defeat to victory.

Boys' Basketball

After a famine of three years the Blacks finally managed to beat the Red in their intramural basketball series by three games to one.

Although the Reds had won the football series this did not discourage the morale of the Blacks. It was interesting to note the keen competition displayed in the college gym.

After losing the first game to captain "Dixie" Burke's Reds, the Blacks, under captain Ted Kiffer came back strongly to take the next three straight games. All the games were hard fought contests and much closer than the scores would indicate.

In the scoring Wilson and Nolan led the Blacks with Hockey being high man for the Reds.

Girls' Basketball

The season started out with each team having weekly skirmishes. The Red team was coached by Art Horwood and the Black's by Paul Cormack and Wynn Updyke. The captains of the two teams were Bee Clement for the Blacks and Lila Reining for the Reds. Although the teams seemed to be unevenly divided according to experience the games proved to be full of excitement.

The Blacks were determined to capture the crown that the Red's held last year. The Blacks achieved this by the high scores of Dot Thuline, Bee Clement, and Virginia LaQuay.

The exciting game of the year was the one that ended 31-29 in favor of the Reds at the end of the first overtime. This game proved to be the only one that the Reds were able to take from the Blacks. In the series of games played the girls who set up the scores for the losers were Marian Thuline and Mary Lou McLaughlin. Both teams had a group of hard fighting guards, who were always in there trying to lead their team to victory.

Cross Country

Cross-Country was inaugurated at Roberts last fall, when it was added to the list of Roberts' extra-curricular activities.

Two cross-country meets were held with Genesee Junior College, one at Genesee and the second on the Roberts Campus. In both meets the Roberts harriers carried away the laurels, though both scores were very close.

Major letter "R's" were awarded to Malcolm Allen, John Beeson, and Joseph Nagy for their fine work in scoring points in both meets.

Lot of training and hard work went into the development of this sport, one of the oldest incidentally, and we expect in future years to have a winning cross-country team.

High School Varsity

Under the leadership of David Alexander and Arthur Horwood, a new sport was introduced at R. W. C. — a high school varsity.

Although they didn't play many games, the team learned a lot about the fundamentals of basketball which should help the team in the future.

Most of the games played by the High School were preliminaries to the Varsity games. A season's record of 2 wins and 5 losses was compiled.

Led by Captain Charles Kelley who averaged better than 11 points per game, the team went down in defeat by narrow margins.

This sport was well received by students and spectators and promises to be a permanent part of Roberts' sports future.

College Basketball

Shortly after school started this year, the Raiders' new coach, Gordon Markey, issued the call for basketball tryouts. He was met by a group that should gladden any coach's heart — seven returning letter men from last year's successful team. When the squad was finally chosen these seven, along with three others who had played creditable basketball in their respective high schools, started drilling intensively for their opening game with the Alumni on November 19. The fellows won this game easily and went on to a fairly successful season winning 11 while dropping 8.

Two of the high spots during the season were the spirited comeback to beat Genesee Junior College in the second game and the avenge over Spring Arbor Junior College.

Something new was added to the basketball season this year. On the three long trips, one to Dover, Delaware; one to Rio Grande, Ohio; and one to Spring Arbor, Michigan, the team held services in churches along their route. A quartette composed of basketball personnel sang and Coach Markey and various fellows spoke. This helped establish more friendly relations between churches and our school, especially in the sports field.

The last game of the season at Spring Arbor marked the end of the basketball trail for four Raiders who will soon be leaving for other schools. These fellows, all sophomores, are Jim Alley, Art Horwood, Paul Cormack, and Malcolm Allen. Next year's varsity will miss these boys, who for the last two years have played a fine hand of ball and have left behind them a record for good sportsmanship that will be hard to beat.

Cheerleaders

Team is in a huddle
 Captain at the head
 They all got together
 And this is what they said
 R - O - B - E - R - T - S

These familiar words sent ringing through the gym as the three cheerleaders led the crowd in it and numerous other yells for the Varsity Team. Many new yells were made up by the girls, adding color and pep to the games.

On the "cheer team" this year were two "old-timers", June Gunn and Joan Waters. Pat Murphy, a new member, completed the trio.

The inspiration of good cheers often helped the Varsity to victory. Why shouldn't it — knowing that all of Roberts was behind them rooting?

Tennis

In this year's tennis tournament, competition reached a new high at Roberts due to the recognition given the winners by the contribution of a tennis trophy upon which the names of the champions of this and coming years will be inscribed. Mr. Raymond Strickland was the donor.

In the singles, all the favorites advanced with little difficulty. Andy Montana disposed of Kenny Hilling and Johnny Holcomb and gave Malcolm Allen the same treatment in the semi-final matches. The championship was taken by Andy Montana in the finals as he appeared almost unbeatable in overcoming his closest rival, Johnny Holcomb.

Competition in the doubles play was much more heated, however. The Holcomb-Montana team was forced to go all out in their match with Lynn Rogers and Paul Cormack before defeating them 6-4, 12-10.

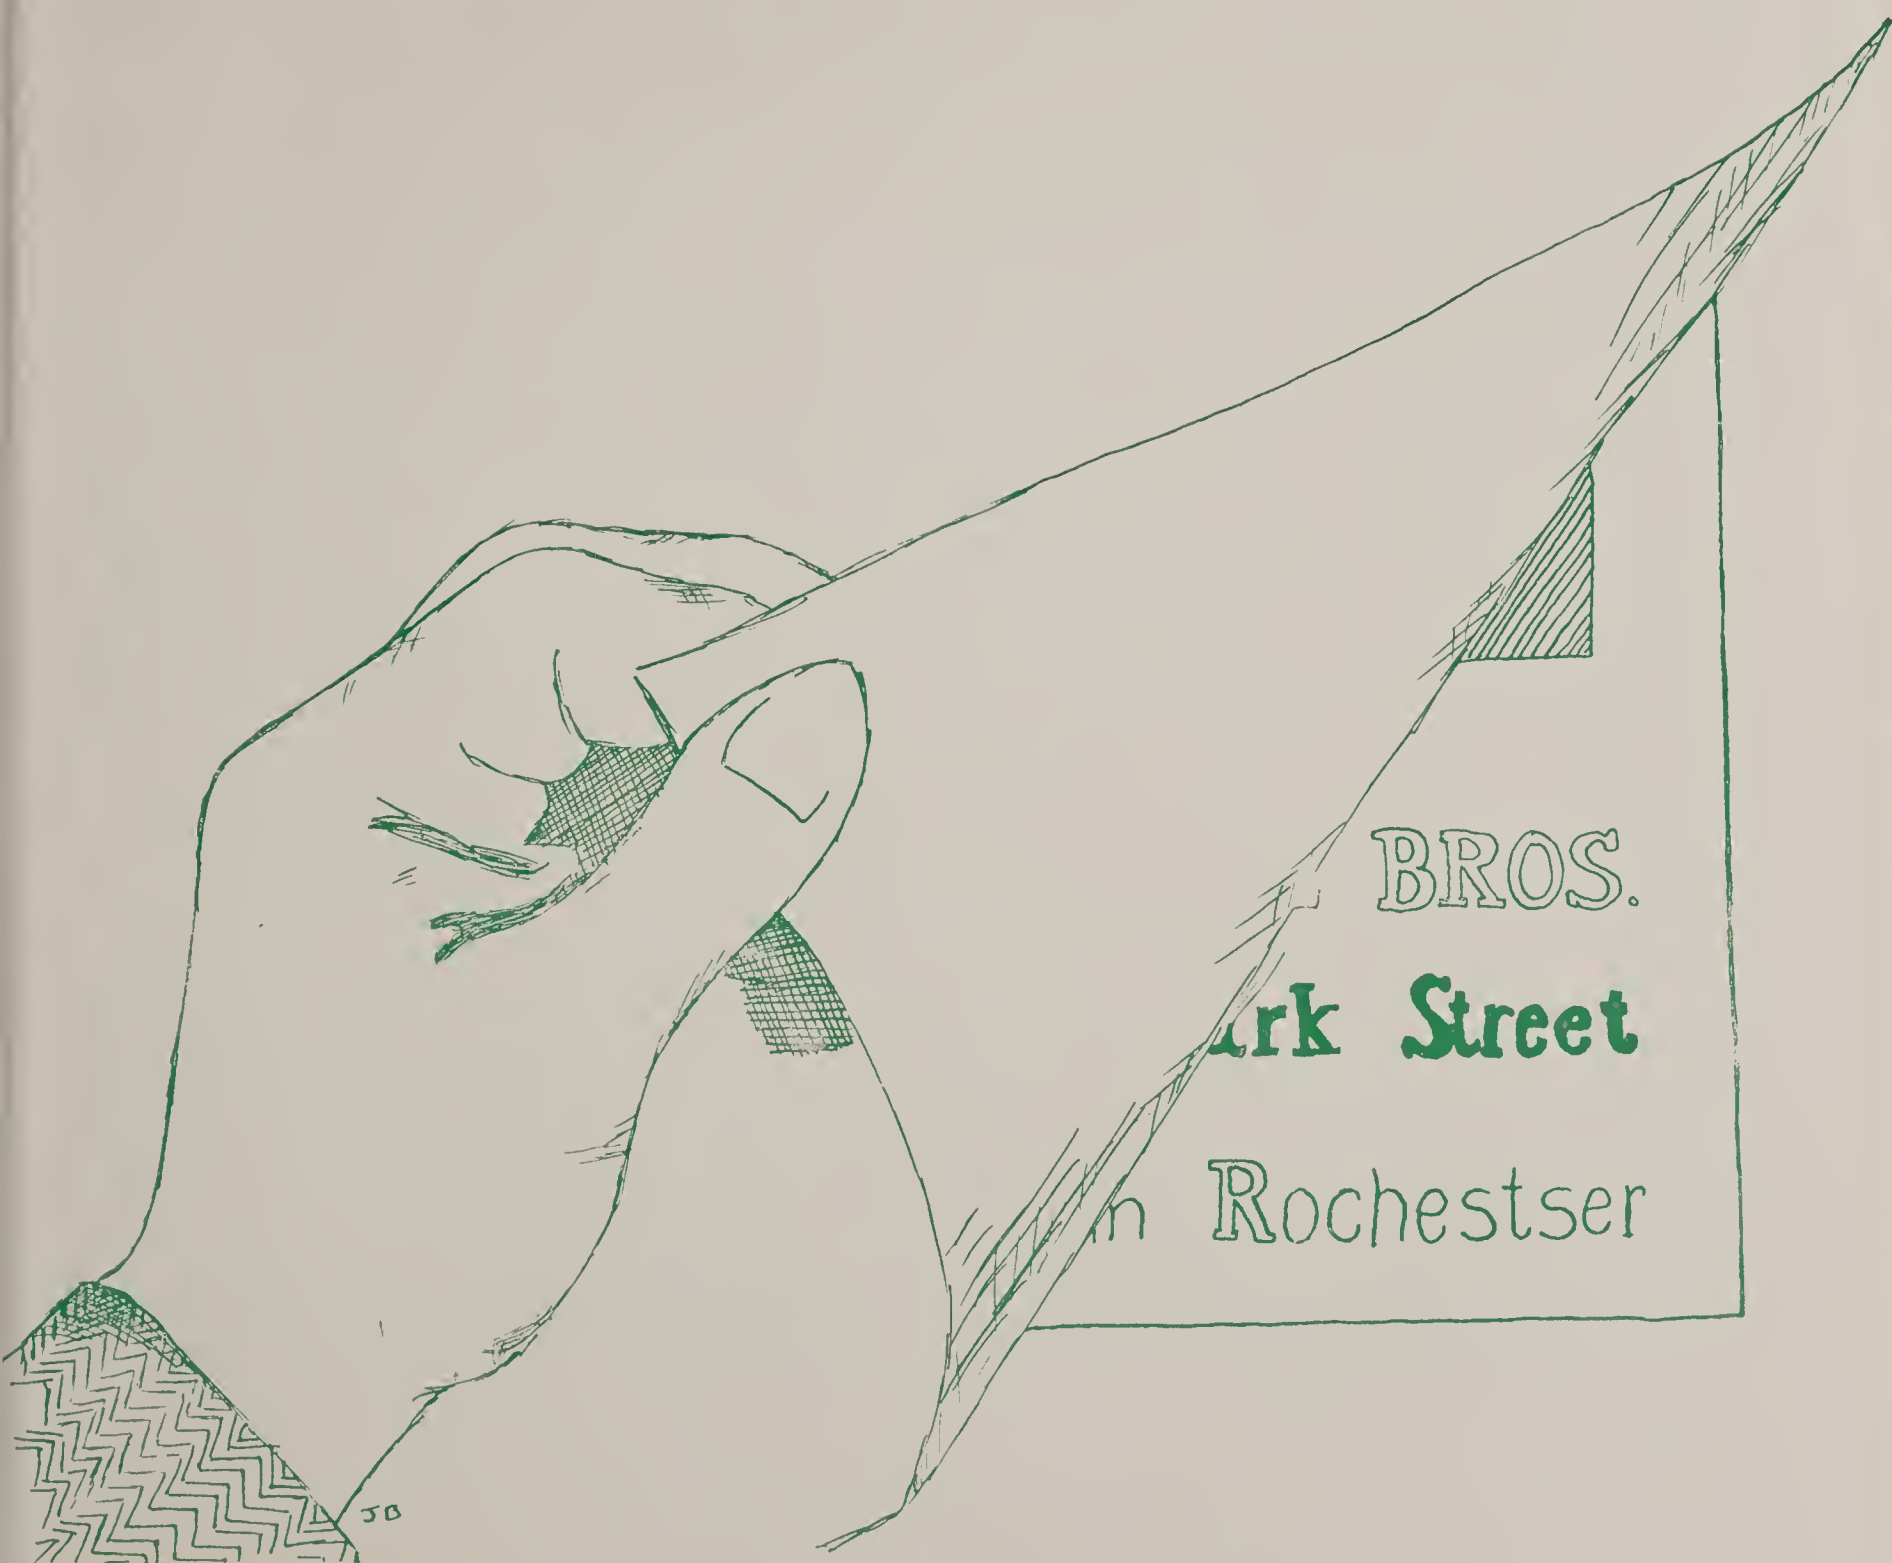

The highlight of the tournament was reached when the inspired duo of Art Horwood and Harry Frederick bumped into the previously undefeated combination of Holcomb and Montana. Their hopes for an upset were promptly dimmed, however, as they went down to defeat in two sets, 6-4, 6-2, bringing the 1948-49 doubles championship to Johnny Holcomb and Andy Montana.

MERSEREAU SCIENCE HALL

Samuel F. Mersereau, a member of the Board of Trustees for nine years, gave generous contributions of time, strength and goods in order that he might see his Alma Mater progress.
